Populations

Communities

Care Teams

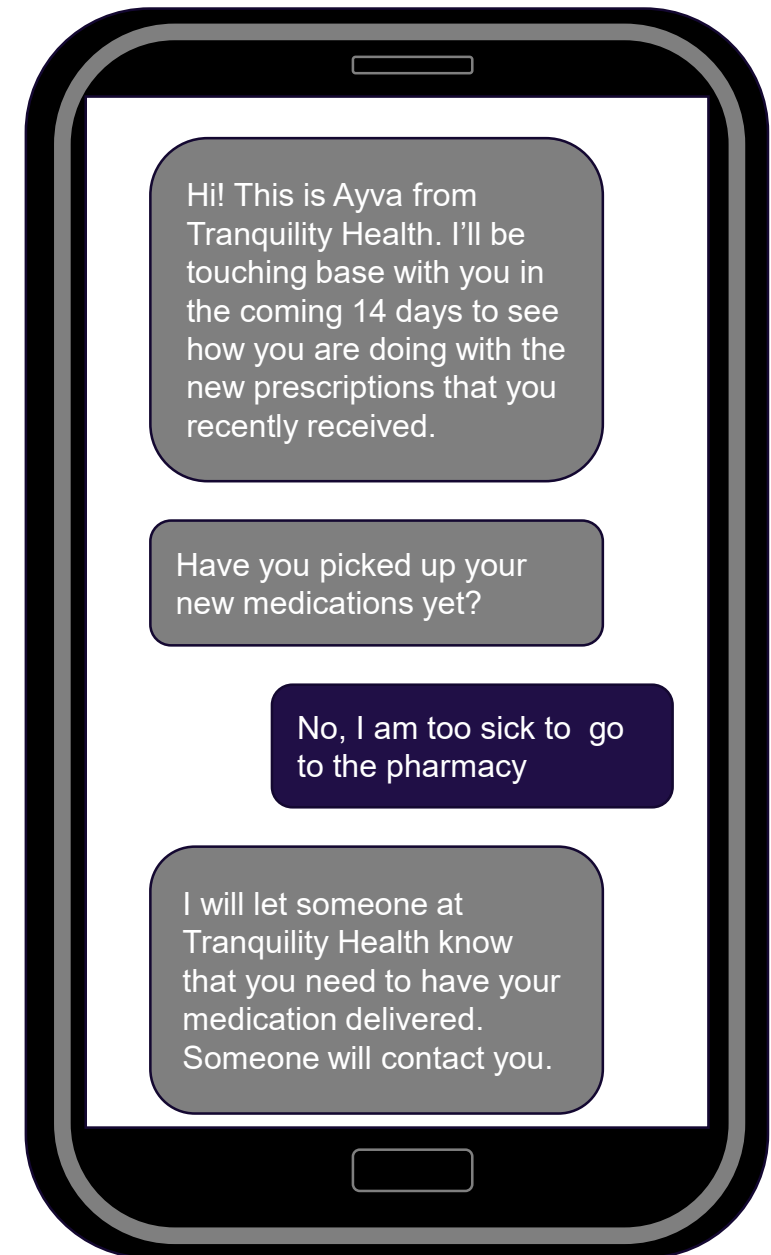

Patients

- I. Chronic Condition Care Plans
- II. Point-In-Time Assessments
- III. PROMIS Integration

Engagement Plans

- Designed by Board-Certified Specialists
- Help patients achieve optimal wellness and self-care
- Guide patients through their discharge plan
- Short-term (3 to 30 days)
- Highly conversational
 - Notifications
 - Question/Response
 - Alerts
 - Motivational / Accolades
 - Educational snippets
 - Local resource guides
